

Julia Lynx in Concert: *A Benefit for the GDTA*

Saturday, January 28

"Lynx is endowed with a big-league voice: strong, fresh and country clear, with an engagingly warm fuzzy edge ..."

Miles Durrie, Avenue Online

Join us for an evening of songs and stories with Canmore singer songwriter Julia Lynx. After hiking the Great Divide Trail with her spouse and guidebook author Dustin Lynx, life on the trail infused Julia's songwriting with a love for the land.

Receive a complimentary copy of Julia's CD 'Wild Patience', produced by award winning musician Marc Atkinson.

Come meet others who are passionate about the Great Divide Trail, share stories of the trail and help support the GDTA!
